

Son Coll

Situated in a remote place in the northwest of the island and undoubtedly one of the most beautiful areas of Mallorca, you will find Villa Son Coll, a beautiful finca located on a plot of 680 hectares of impressive landscape with incredible views. It is a luxurious property that preserves valuable historical elements such as its slotted windows that would have been used as observation points to warn of possible attacks, or its original tower dating from the 13th century. The patio in the center of the house is the perfect place to enjoy and relax, there are several ideal places to rest, enjoy the silence and tranquility of the place. And if you are wondering if the villa offers views of the sea, the answer is definitely yes, they are not just any views, they are simply spectacular.
